- Motivation letter
- CV
- Recommendation letter
- Current examination report for TUM master's study program
- Transcript of records for bachelor's degree
- Bachelor certificate
- Optionally, other documents

## Motivation letter

# Explanatory notes

## Data on the applicant's person

- 1), 2), 3) Last name, first name, and middle name.
- 4), 5) Place (city and country) and date of birth.
- 6) Nationality.
- 7) Address during the semester (street, zip-code, city).
- 8) Email address.

## Data on the applicant's studies

- 9) Student registration number (eight-digit number from enrolment at TUM). **Only students that can present a TUM student registration number are eligible to apply.**
- 10) Current master semester at TUM (as per last transcript of records). **The first scholarship semester must be the second semester in the master's study program, at least.**
- 11) Master's study program at TUM. This can either be 'Data Engineering and Analytics' or 'Mathematics in Data Science'. **Other study programs are not eligible.**

## Data on prior qualifications

Grades must be presented together with the maximum achievable grade and the minimum grade sufficient for a pass in the corresponding grading scheme. This could be, e.g., 4.0 best possible and 2.5 minimum pass, or 1.0 best possible and 4.0 minimum pass. Typically, this information is provided on the official certificate.

- 12) Cumulative grade of the bachelor's degree (together with maximum and minimum pass).
- 13) Institution granting the bachelor's degree (name and country).
- 14) Cumulative grade granting entrance to university (together with maximum and minimum pass).

## Attachments

- 15) **All listed attachments must be provided.** Only additional awards or further supplementary documents are optional.

## Submission

The application deadline is **February 25, 2024**. We accept **applications in a single pdf-file (<15MB)** via [info@mdsi.tum.de](mailto:info@mdsi.tum.de). Please find TUM's privacy policy at <http://www.tum.de/index.php?id=2505>.
